

THE Mount Airian ROTARIAN

October, 2010 Editor, Joan Inman

Rotary Youth Leadership Program – Guilford College

We were honored to hear from two bright and confident young women at our meeting on September 21 regarding their experiences at the RYLP. Ashley Jessup is a senior at East Surry High School and Katie Bowman is a senior at Mount Airy High. Each came away from their experiences more confident and ready to accept and take on new challenges. Ashley had not seriously considered college, but now has a more focused outlook and believes the opportunities ahead are varied and valuable and worth pursuing. Katie is interested in attending Wake Forest University.

It was a time of relationship building with other like minded students and the friendships forged within this group will remain. They had the opportunity of learning about other religions; they could speak with professionals and ask questions about college courses; their interests and where those might lead; and found that networking and relationship building is right up there with obtaining good grades.

The following poem about leadership was written by Katie Bowman as she was experiencing the “solo” portion of the course.

Leadership

By Katie Bowman

Leadership is the ability to lead,
A helping hand when you're in need.
A smile, a wave, or just a glance,
And already you've embraced the chance.

Leadership is motivation;
That constant drive and determination.
There's that one risk that's for the taking,
And now you're a leader in the making.

Leadership is that massive test,
That many people find to be a pest.
It's not a job or an obligation,
It's a lifestyle transformation.

Leadership is a definition,
That comes with no opposition.
A leader is honest and loving and true,
And now you know why that leader is you.

Ashley Jessup

Katie Bowman

WOGO – Making a difference

Dr. Robyn Hakanson and five other female orthopaedic surgeons from around the country formed a 501(c)3 volunteer medical service organization called WOGO – Women Orthopaedist Global Outreach. They then incorporated their team as part of Operation Walk, who also provides free surgical treatment in developing countries.

On September 21 the WOGO team headed to Nepal for a 10 day surgical trip. Doctors will perform 70 knee replacements with a 50+ member medical team and volunteers. All patients receiving knee replacements have been crippled by arthritis and are no longer able to assist with their own or their families' livelihood or care. 85%

of the population does not have access to medical care and on average they live on less than \$1.00 per day. Nepal is one of the poorest countries in the world and any medical assistance makes a huge difference in their lives.

Surgical equipment and supplies will be shipped prior to their leaving. With the exception of medical devices, all other medical supplies left over will remain with the local hospital.

Accompanying Dr. Hakanson from Mount Airy: Dr. Jan Kriska; PA James Derrick; team attorney Susan Campbell; physical therapist Cassey Vedder, and nurses Glenda Hoffman and Ann Riggs.

Dr. Hakanson, James Derrick and Susan Campbell

Interact Club Pinning – September 28

The Mount Airy High School Interact officers for 2010-2011 were sworn in at the Mount Airy Rotary meeting on Tuesday, Sept. 28. The following officers are:

- President.....McKenzie Culler
- V. President.....Jill Epperson
- Secretary.....Elly Bledsoe
- Treasurer..... Wes Bledsoe
- International Projects Chairman.....Maddie Gardner
- Local Projects Chairman.....Katie Lewis
- Scholarship Chairman.....Dylan Wright

We offer many thanks to Coach Mayo for so aptly acting as their advisor. We applaud him and Carol Burke for working with these students. One day they too may become Rotarians.

 Oct 25.....Cathy & Mark Stevens
 Oct 31.....Gary & Mary Cook

BREAKFAST at Ridgecrest – Oct. 2

Bring a canned food donation to Ridgecrest on Saturday, Oct. 2 from 7-11 am and join lots of other folks for a fabulous breakfast in support of Hospice & Yokefellow Ministries. You can dine on eggs, bacon, sausage, baked apples, biscuits & gravy, coffee, juice and more for only \$7.00 per person. Food is in short supply for many of the agencies we have helped over the years. Recently we took up an emergency donation for food for the homeless and domestic violence shelters. All these agencies are in desperate need of help. Funding from Government agencies is in short supply and takes longer to receive and individual donations have also been reduced, but working together we can make a difference.

Justice Paul Newby Addresses Rotary

It was indeed an honor to have with us once again NC Supreme Court Justice Paul Newby. He encouraged everyone to do research and familiarize yourself with those running for judicial positions. According to Newby 1/3 of voters will use some method for voting that isn't based on knowledge of the person they vote for. It requires effort to "get to know the candidate" especially for non-partisan positions.

Environmental Clean-up Day – aka Trash Pick-up Day

We had a great turnout on Saturday morning, Sept. 11 despite a few rain drops. Seventeen of our members collected 14 bags of trash and spruced up Greenhill Rd once again. Thankfully the skies cleared and the morning was perfect for plucking beer bottles, papers and cigarette packs from the roadside. Having a large group participate keeps the sections short and our time under 30 minutes.

Thank you Tom, Faith and Ted for organizing this quarterly event and to all who helped – GO TEAM!!!

NEW MEMBER SPOTLIGHT

Dick Johnson was so impressed with his chiropractor he encouraged him to become a Rotarian. After he heard District Governor Wes Patterson speak he was hooked, and we are pleased to have Craig Hensley join us. Craig recently began working with Adam Delp at Delp Chiropractic. Craig is married to Allison Hensley.

Dick receives
1st Sponsor Pin

Tom Webb welcomes Craig Hensley

OCTOBER

<u>DATE</u>	<u>ROTARIAN</u>	<u>SPEAKER & PROGRAM</u>
Oct 5	Marion Goldwasser	Mike Goldwasser – “Beef: What you should know”

District 7730 NID to India

Jan. 27-Feb. 8, 2011

<http://www.nid7730.wordpress.com>

Dear Rotarians and Friends,

This letter is being sent to introduce you to an opportunity to travel to India in 2011 to experience a National Immunization Day. I hope you will share this with Rotarians and friends in your clubs and District.

First, let me tell you about my involvement in India. I am a retired educator and have been traveling to India since 2001. The first trip was to visit friends and it was during that time I met Rotarians and became involved with many Rotary projects. My club, The Rotary Club of Maysville and The Rotary Club of Dhanbad became twin city clubs and have done many projects together including setting up a library and sponsoring numerous Saheli Centers for poor women. It was also during this trip, I saw the devastation to lives Polio's role plays and witnessed Polio corrective surgeries. I took a vow then to bring other Rotarians to see first hand the lasting effects Polio has on many lives and to see how our dollars work in the form of Matching Grants.

My educational background and involvement in India led to employment with an international book company selling books and library automation systems to schools. This involved traveling to India many times as well. Since that time I've learned much about the culture, customs, and people of India. Rotarians throughout the country have become close friends and we have joined in spreading hope to those less fortunate through many Matching Grants, Youth programs and hands on projects.

Last year, I led the first NID from District 7730 and Zone 33. Thirty-seven Rotarians from 10 different Districts participated in this life altering experience. Please join us in 2011 for the chance to be a part of history.

Yours in Rotary Service,

Nancy Barbee

DG 2009-2010

More information on traveling to India on the following page.

Before the NID, you should read the information on the website and begin to prepare. The following are important points for preparation.

- You will need to book your own flight to India, and you will need a passport and a visa. It generally takes about a week for the visa to be returned to you. Make a copy of your passport before you send it off to have your visa placed inside. **PLEASE CHECK TOURIST VISA AND NOT BUSINESS VISA.** Other information you will need is found on the website such as the cities we will visit and a contact in country. See the website for further instructions.
- Please check the CDC website and with your doctor about shots and other medications you will need to take while in India. Personally, I did get the adult Polio booster, Hepatitis A & B, typhoid, and malaria tablets. Your doctor can guide you as to what is best for you.
- The dates of the trip are between Jan. 27 and Feb. 8, 2011. You may want to book the flight yourself or book through an agent. Either way, be sure you arrive in Delhi on Jan. 27th. You may opt to arrive earlier or stay later at your own expense and should make your own arrangements. I do ask you inform me if you intend to do that. I have an agent in country that can further assist you.
- The cost of the trip is approximately \$3000-3500. The difference is based on the hotel and domestic airline prices when the bookings are made closer to the trip dates. **I am asking for a \$500 non-refundable deposit by November 1, 2010.**
- As soon as the group is confirmed, we will have a webinar (or several) to answer questions as we make the final arrangements.

For more information about traveling to India, please check the website and join our GOOGLE GROUP.
