JONES SCHOOL SHOW CHOIR

December is always the time we enjoy performances by our school choirs. Dr. Greg Little introduced Catherine Hargis and the Jones School Show Choir on December 11. The children were delightful and full of energy. Their smiling faces and angelic voices brought smiles all around.

Millennium Charter Academy

Give kids an array of colorful boomwhackers and off they go into music making. Music Director Rodney Money has a way of enriching and entertaining students and audiences alike in the world of music. This year was no exception as his young group sang and performed several Christmas songs. Thank you to Kirby McCrary for letting the students come and making the season joyful for us all.

State of the City Address

by Rotarian and City Commissioner Steve Yokeley

Steve presented some facts about how well the City of Mount Airy is doing under these trying times over the past few years. Our population is 10,414. Total tax value of personal and commercial property is \$1,078,000,000.00. We are taxed at a rate of \$0.56 per \$100 valuation; and the city operates with an annual budget of \$18M.

We have had some new and expanding businesses over the past year and an announcement will soon be made about a new company coming to town that will use a lot of water and could employ up to 145 people.

Donation to Yokefellow Ministries

We were pleased to donate to Yokefellow a check for \$500.00 which was collected from our food drive. Jill Borders, Program Coordinator was on hand to accept the check from Greg Perkins.

Budbreak Festival Plans Underway

Bob has already been diligently working to re-up and recruit new sponsors for the festival. The festival committee met recently and letters have gone out to the wineries with several already signing up and looking forward to being here again.

We will have two musical groups performing this year. The Mediocre Bad Guys with Bobby Keys will be returning and Eric Chilton and the Chiltones will also be joining in. We are excited to have both groups participating.

Please plan to be a part of this fund raiser. There are all kinds of tasks you can help with and help is what we need to make this another successful year. Stay tuned for more.

Money for Uganda Project

It was a wonderful day at Rotary when Rev. Tony Hayworth presented to the club a check for \$10,000 from Grace Moravian Church. This money will be used for our International project which Marion Goldwasser has spearheaded and worked so diligently to raise funds for.

We thank the many clubs and individuals who have contributed to this project. It has been a long process with many twists and turns along the way. Special thanks to Marion who didn't get discouraged and plowed ahead to see it come together. No one can understand nor appreciate the time and effort it took to make this happen. Marion is living proof of the term Service Above Self.
